MEETINGS

9TH PARTNERS IN ACCELERATING SDGs MEETING

10 November 2025

Venue: Department of Statistics Malaysia, Putrajaya

DOSM served as host for the 9th meeting for the very first time. The purpose of the meeting was to strengthen collaboration among government agencies, non-governmental organizations and academic institutions as well as to enhance Malaysia's achievements in the SDG through knowledge sharing, joint research implementation and integrated data collection.

DOSM is committed in supporting Partners in Accelerating SDGs through the provision of data and capacity building to accelerate the achievement of the SDGs, while ensuring that no one is left behind.

10TH PARTNERS IN ACCELERATING SDGs MEETING

14 January 2026

Venue: MySDG Foundation, Kuala Lumpur

The meeting was hosted by MySDG Foundation with the aim of serving a strategic platform for stakeholders to share priorities for 2026 and to strengthen collaboration in the implementation and realization of the SDG in Malaysia. It also emphasized synergy between agencies and organizations to accelerate SDG progress in an inclusive and effective manner.

CAPACITY BUILDING

EMPOWERING THE THIRD SECTOR WORKSHOP: BUILDING AN INCLUSIVE ECOSYSTEM FOR 13MP

29 October 2025

Venue: Le Quadri Kuala Lumpur

The Workshop was organized by the All-Party Parliamentary Group Malaysia on Sustainable Development Goals (APPGM-SDG) and the MySDG Academy, was held to strengthen the role of NGOs, cooperatives and social enterprises in national development in line with the 13th Malaysia Plan (13MP). The workshop was also joined by DOSM representatives along with diverse stakeholders including civil society, government agencies, academia and the corporate sector. Its main focus was to reinforce the social economy ecosystem and to mainstream the Third Sector as a strategic partner in the implementation of 13MP.

CAPACITY BUILDING WORKSHOP ON CITIZEN-GENERATED DATA (CGD)

1-2 December 2025

Venue: Sarawak OKU Skills Development Association (SOSDA), Kuching, Sarawak

DOSM and the Malaysia CSO-SDG Alliance (MCSA) collaborated in organizing the Capacity Building Workshop on Citizen Generated Data (CGD) focusing on strengthening community data for the localisation of the SDGs in Sarawak. The program involved 30 participants from 22 selected NGOs and agencies in Sarawak. DOSM representatives shared insights on SDG implementation and frameworks, data governance based on the Generic Statistical Business Process Model (GSBPM), research methodologies and SDG indicators data gap. Meanwhile, NGO participants presented SDG-related studies they had conducted, along with data available at the NGO level.
